

* Measured in Millimeters (mm)

* Product dimension is for reference only.

With petite blade measuring just 36" and 42", CUTE was designed for smaller indoor space like kids room, dining area and balcony. It is a small fan but it has gone thru extra safety tests in our laboratory as we want to market CUTE as a fan with design and high safety standard. The beehive shape and tri-colour light kit has made cuteness at its max. Available in Black, White and Timber.

Product Information
