

EGG series of bathtubs is an elegant and luxurious bathroom centerpiece. Made from solid surfaces, one of the hottest materials on the market today - It's smooth, it's warm, it's durable, and it looks gorgeous. This high-performing material deserves the respect and popularity as it has high heat retention so that you can bathe for longer without adding hot water. Inspirational design with an oval shape and it is available in 140cm, 150cm, and 170cm. Its freestanding design reveals more wall and floor space than built-in alternatives, making the bathroom looks more spacious.
