Titanium (TI)

METEOR series of kitchen sinks are made from natural granite and acrylic resin; they are manufactured through an exclusive technological process that fired the sink at 700°C which increased its durability and hardness. Thus, granite sinks are of high resistance to thermal shock and scratches, also it has an antibacterial protection via enriching the mass with silver ions and inhibits the growth of bacteria. Available in different configurations & sizes and comes in 3 popular colours, Pearl Black, Titanium Sliver and Pearl White. At Rubine, we definitely have a choice of sink to match your kitchen.
