

* Measured in Millimeters (mm)
* Product dimension is for reference only.

The SFERA collection is defined by pure geometry and balanced proportions.

With its rounded handle design and smooth, continuous lines, it delivers a seamless and intuitive user experience. Crafted from brass and stainless steel, and fitted with a water-saving aerator, SFERA combines precision performance with refined detailing. Its understated yet sophisticated form brings a sense of quiet luxury, making it a versatile choice for contemporary bathroom and kitchen spaces.
