If you are planning to renovate your bathroom and are searching for the latest toilet, Rubine's Piz Fora series of toilets could be one of your shortlist. Since hygiene and ease of cleaning are major toilet concerns nowadays, this soft-edged design Rimless toilet guarantees hygiene and easy cleaning. With Funnel Flush 3.0, a combination of a tapered inner bowl design and a rim-free ledge, the flushing accelerates the water flow and rinse the bowl swiftly and homogenously. This clever design means less water & low noise and it helps the environment. Other qualities include a slim-design seat cover with soft close and quick release hinges for easier maintenance. This collection proposes a total toilet solution including wall-hung, integrated 1-piece, and back-to-wall floor pan.
