A great bathroom doesn't need a lot of space but it does need a great idea and a great product like Rubine's newly designed wall-hung rimless toilet – the Punta Nera series. This minimalistic-design WC is produced at high temperatures; its ceramic surface is formed with a less than 0.2% water absorption rate to ensure good hygiene and prevent the spread of bacteria. Rimless and Funnel Flush 3.0 is the new water-saving flushing technology; it enables the system to discharge the water with more force and in a more homogeneous way that improves the clean efficiency and reduces the noise. This toilet is supplied with a high-quality soft-close toilet seat and tested with R&T in-wall flushing system on performance and water consumption.

Product Information

Model	PN-305P07
Material	Vitreous China (Pan), UF (Seat cover) with stainless steel hinges
Colour	White
Overall Dimension	560 x 380 x 360mm
Net Weight	24.5 kg
Installation	Wall-Hung, P-trap 180mm
Flushing System	R&T 3004 & 3005 (Full-frame, Half-frame, Frameless)
Water Efficiency	Available in 2 ticks and 3 ticks
Water Consumption	4.00L (Full Flush) / 2.70L (Reduced Flush), 3.50 L (Full Flush) / 2.50 L (Reduced Flush)
PUB Reg No.	G3004 - WC-2021/033731/SLS (2-ticks), WC-2021/033732/SLS (3-ticks) G3005 - WC-2021/033734/SLS (2-ticks), WC-2021/033735/SLS (3-ticks)
Package Included	Wall-hung toilet + UF Seat cover + Fixing screws
Warranty (T&C's Apply)	1 Year Parts + Service / 10 Years On Ceramic Deformation
