3D Spray + Rain

Rain

3D Spray

Air Injection Technology (3D Spray)

Air injection technology enriches the water with air and creates a soft feel on your skin. Suitable for low water pressure.

Tested to 50,000 cycles

The push button has been tested to 50,000 cycles.

Rubine has been supplying bathroom and kitchen products for almost two decades and they have a diverse collection of shower sets to suit various designs and budget requirements. When OBI/MACH was first on the drawing board, our designer wanted more features to incorporate into this hand shower. Thus, we introduced air-injection technology; it has 3 rotating nozzles that enriched the water with air and created a soft feel on your skin. Also, the use of Push-button to switch the type of water spray instead of conventional turn to change. Available in Matte Black and Glossy Chromed.

Product Information	
Model	RSH-MACH-521-BK / RSH-MACH-521-CH
Material	Shower Rod (Stainless Steel), Hand shower (ABS), Hose (PVC)
Surface Finishing	Electroplated
Colour	Matt Black / Chrome
No. of Spray	3
Package Included	Shower Rod + Hand Shower + Soap Dish + 1.5m Hose + Mounting Hardware
Warranty (T&C's Apply)	1 Year Parts + Service
