

The Two Towers is the most prominent tower in Bologna city, Italy. Built-in the 12th Century by two powerful families, Asinelli and Garisenda; and its marvelous design has also initiated the birth of the Rubine BO series thru our in-house design team. Slender and in cylindrical shape like a tall tower reaching the sky is a perfect balance between a modern design and shape. The BO (Bologna) series is in line with the latest color trend in particular the use of 2-tone like Black and Rose Gold, and an electroplated finishing also ensures better surface coating and greater abrasion resistance, and daily wear and tear. The shape, design, and choice of colors making this series versatile and adaptable to different bathroom solutions.
