

* Measured in Millimeters (mm)
* Product dimension is for reference only.

Drawing on decades of engineering mastery, the Rubine MATRIX series is a eco-friendly electric water heater defined by its avant-garde diamond-facet design. Engineered for ultimate thermal luxury, it utilizes a proprietary Fairwater Sleeve to deliver 20% more hot water, while ultra-dense 27mm insulation ensures near-zero heat loss. Beneath its elegant exterior lies uncompromising durability: a high-pressure titanium enamel tank, a commercial-grade SUS316L heating element, and a reinforced magnesium anode.

Complete with an SGS-certified anti-bacterial inlet for pristine water purity, the MATRIX series is tailored to your space in 15L and 30L capacities, in timeless black or white.

- SGS** **SGS Certified Anti-bacterial Material**
SGS approved antibacterial efficacy that keep the product safe and reliable by suppressing the growth of bacteria.
- Overall Polyurethane Foam**
Keeps the water warm by minimise heat loss. Save 30% more energy.
- Thicker Magnesium Anode**
27% thicker magnesium anode ensures a longer tank life.
- Fairwater Sleeve**
Cold water is marshalled effectively resulting in 20% more hot water output rate.
- Sapphire Enamelling Heating Element**
Perform best even under high temperature and pressure conditions.
- Single-welded Tank Design**
Our inner storage tank with single welded line helps to reduce more than 67% of water leakage risk.
- Titanium Enamel Tank**
Titanium coating prolongs the life span of tank.
- Independent Thermo Cut-out**
Independent thermo cut-out protects water heater from overheating.
- 7 Warranty**
7 years warranty for inner tank.
- 5 Warranty**
5 years warranty for heating element.

Product Information

Model	MT 15U SIN 2.5	MT 15 SIN 2.5	MT 30 SIN 2.5
Capacity	15L	15L	30L
Installation	Under-sink	Above-sink	Above-sink
Rated Power	2500W		
Rated Voltage	220V~240V		
Rated Frequency	50Hz/60Hz		
Heating Time ($\Delta T=35^{\circ}\text{C}$)	0 hr 15 min	0 hr 15 min	0 hr 30 min
Max. Working Temperature	75°C		
Max. Working Pressure	0.75MPa		
Net Weight	9.6 kg	9.6 kg	13 kg
Colour	Black Only	Black / White	
Safety Mark	210662-11	200053-11	200052-11
Waterproof IP Rating	IPX4		
Package Included	Pressure Relief Valve + Mounting Hardware + Flexible Hose		
Warranty (T&C's Apply)	1 Year Parts + Service / 5 Years Heating Element / 7 Years Inner Tank
