

Rubine™

Inox Collections

Rubine, a leading brand of Italian origins has been established in the kitchen and bathroom industry. With an extensive selection of quality kitchen and bathroom equipment ranging from kitchen sinks, faucets, mirror cabinets, shower heads to bathroom accessories, Rubine perfects your kitchen and bathroom with modern designs. Being a supporter in going green, Rubine cares about the environment and well-being of the society through incorporating water saving feature and using recyclable raw material as much as possible for its products.

Here at Rubine, we are committed to help you realize your dream kitchen and bathroom as a true reflection of your lifestyle.

Eco Friendly

Rubine is proud to introduce the modern and sleek looking "Inox" range of faucets. This range of faucets is made of 304 stainless steel and the key feature of the material is it is 100% recyclable. Moreover, it is environmentally friendly as it does not contain any substance that is harmful to the environment and all Rubine faucets comply with the Singapore water efficiency standards for faucets.

Easy to maintain

One of the advantages of stainless steel is it is easy to maintain. By cleaning it with most kitchen cleaners, hygiene can easily be maintained.

Safe and Healthier

Stainless steel is resistant to corrosion and rust. That is why you can be assured that it is safe and hygienic when washing foods with Rubine stainless steel faucets. All Rubine faucets have passed the stringent testing requirements of Singapore standard.

Durability

Stainless steel does not chip and could not bend or crack easily. Faucets made of stainless steel could look good and last long for decades with proper use and care.

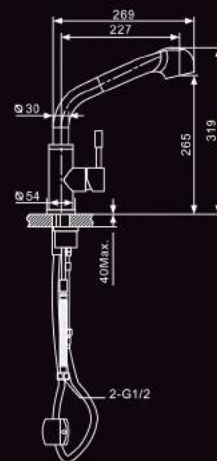

The stylish 360-degree swivel spout faucet which is made of 304 stainless steel complies with "lead-free" standards, which means it is not harmful to human health. Not only that, it is also durable. The 2 unique features of this faucet are the 360° swivel spout and pull-out spray head. These features make rinsing of large cooking utensils easy.

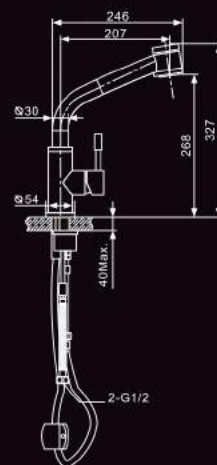

7048

Body: 40mm
 Type of product: Sink Mixer With Pull Out Spray
 Water efficiency: 3 ticks (Excellent)
 Registration No: SKT / BT-2012 / 009405
 Water consumption: 3.30 litres / min

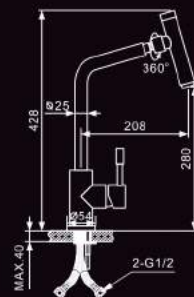

7049

Body: 40mm
 Type of product: Sink Mixer With Pull Out Spray
 Water efficiency: 2 ticks (Very good)
 Registration No: SKT / BT-2011 / 009065
 Water consumption: 4.20 litres / min
