

Rubine™
Indulge in the Aqua Lifestyle

Introducing the Rubine Shower Collection

Our collection features the latest innovations in the shower technology.

From our patented Self-Cleaning Nozzles to our 3D Handshower functions, our luxury shower systems will pamper your showering needs with clever, easy-to-use functions.

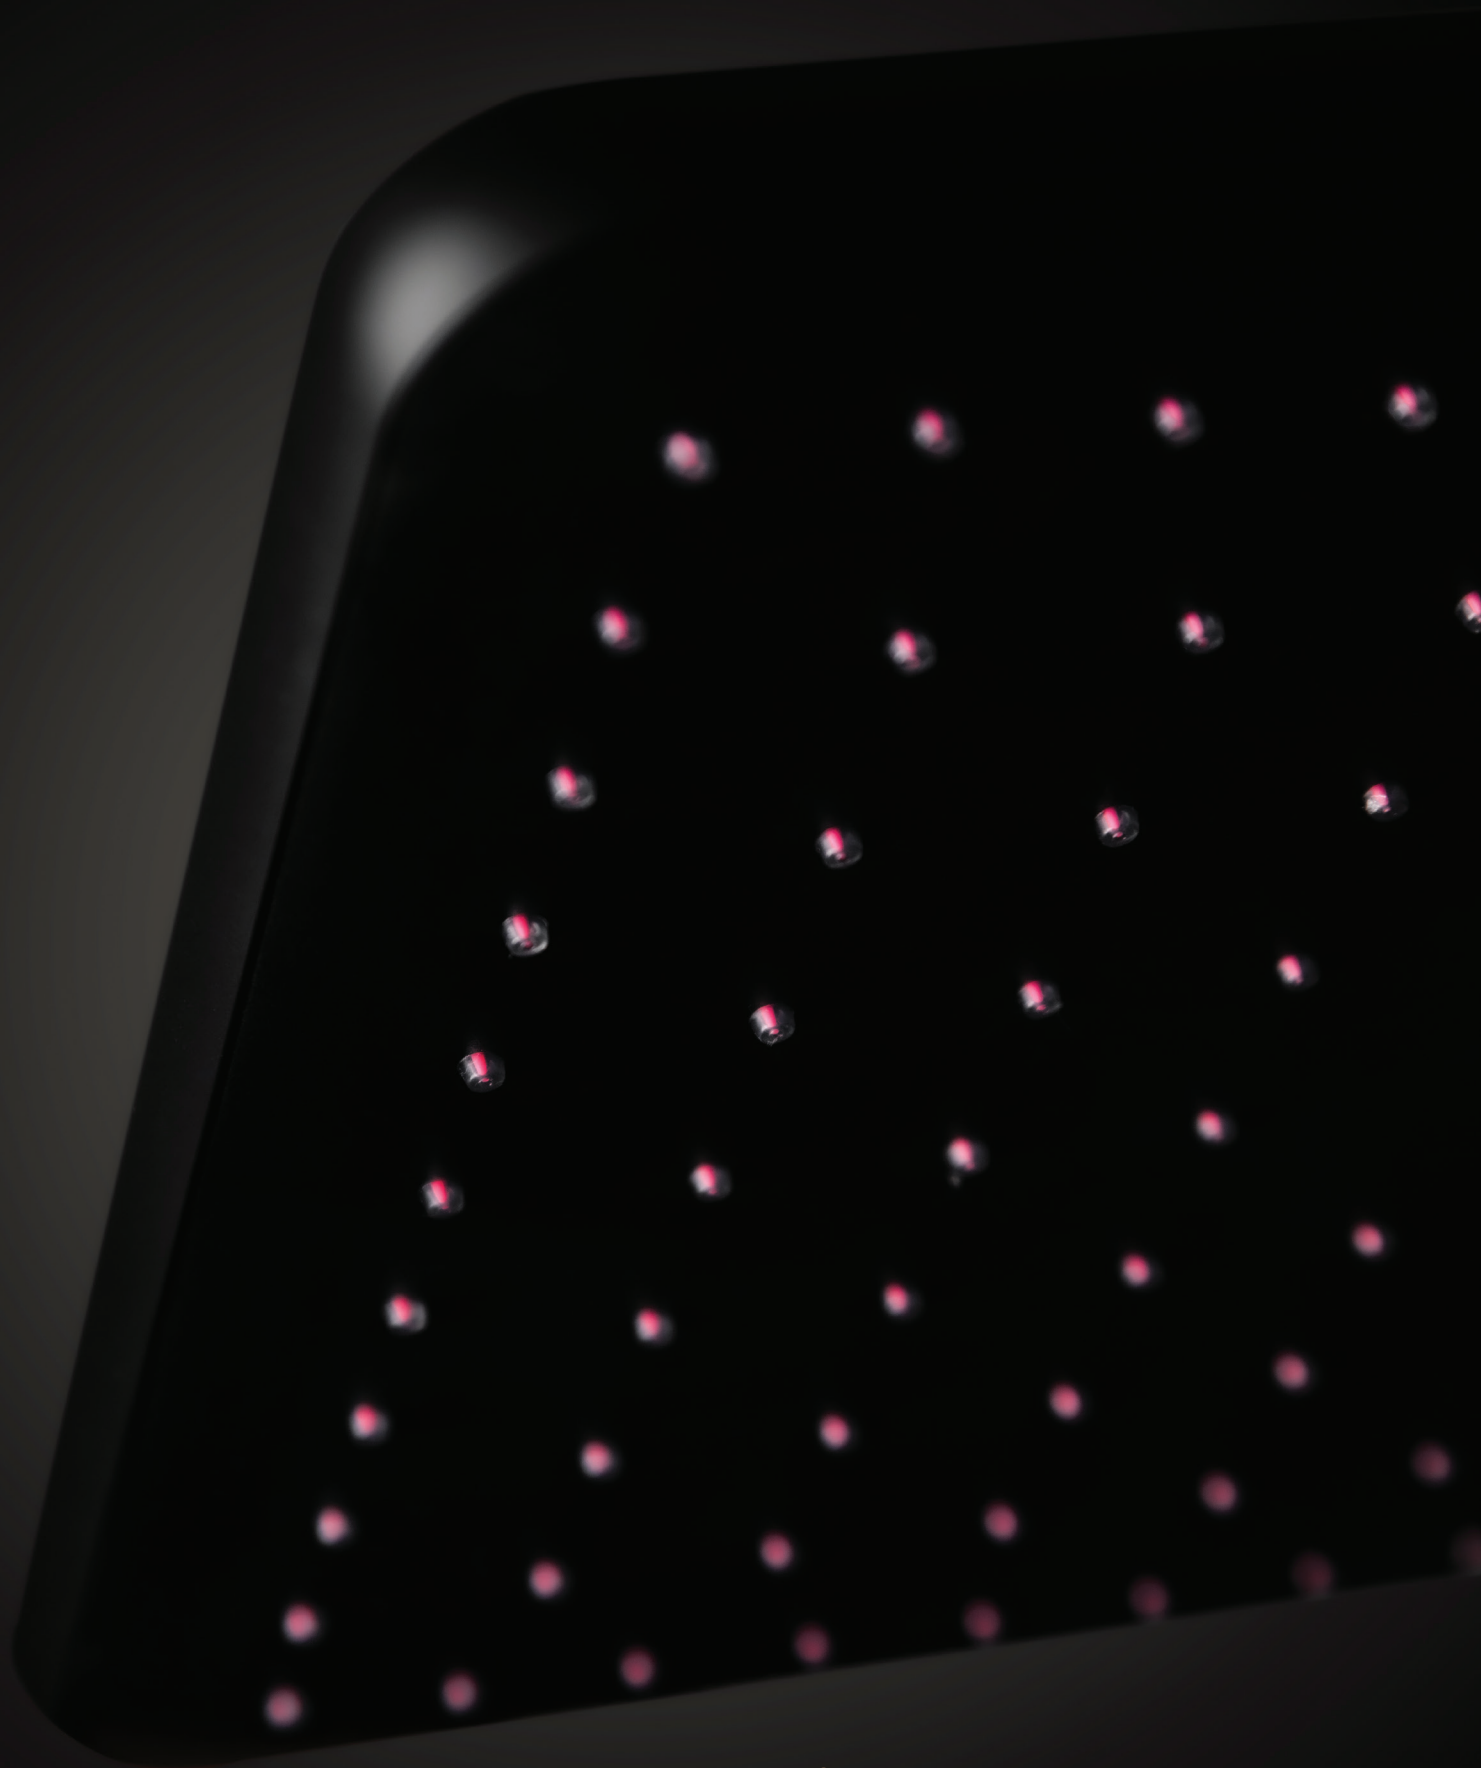

Available in the new Electroplated Black with Rose Gold accents or Classic Chrome.

Air Injection Technology

Air injection technology enriches the water with air and creates a soft feel on your skin. Suitable for low water pressure.

Patented Self-Cleaning Nozzles

Designed with Patented self-cleaning "Pins" that stop the water flow immediately and also prevents particle build up in the nozzles.

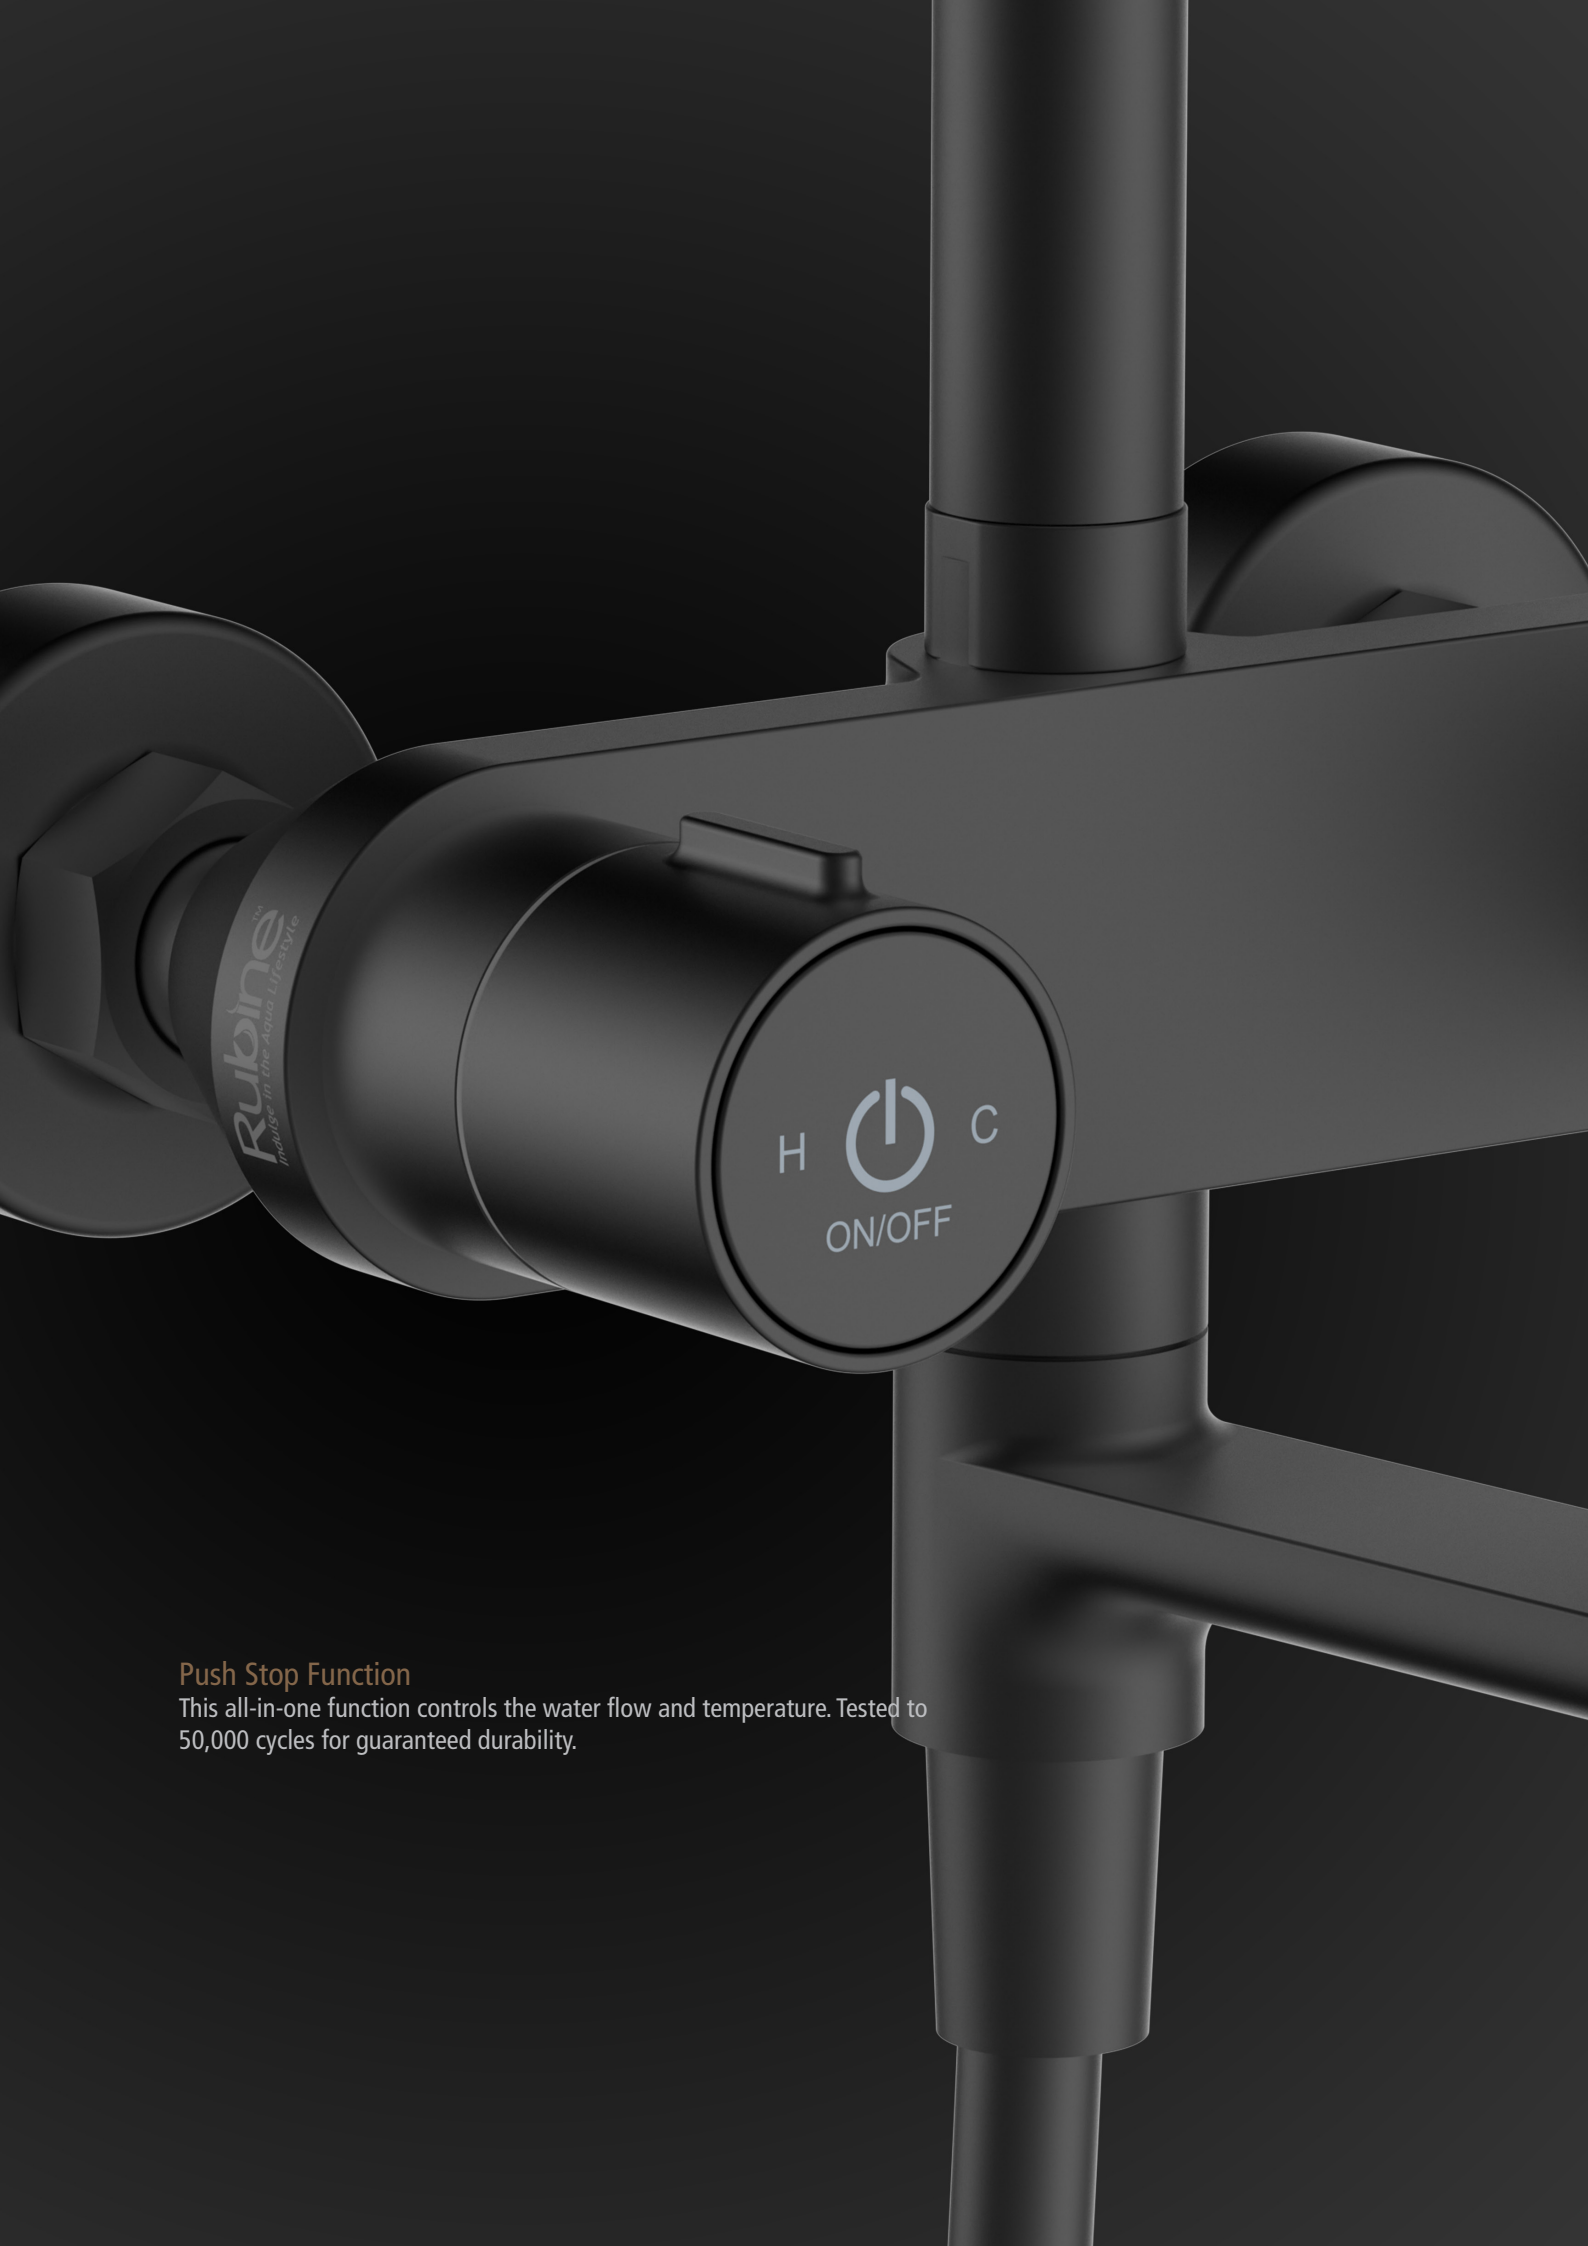

Thermostatic Control

This function ensures consistent water temperature. Also features a safety catch to prevent accidental increase in temperature.

Selector Button

Easy to use selector button for switching water flow.

Push Stop Function

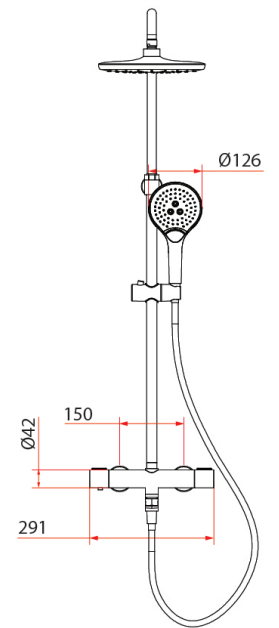

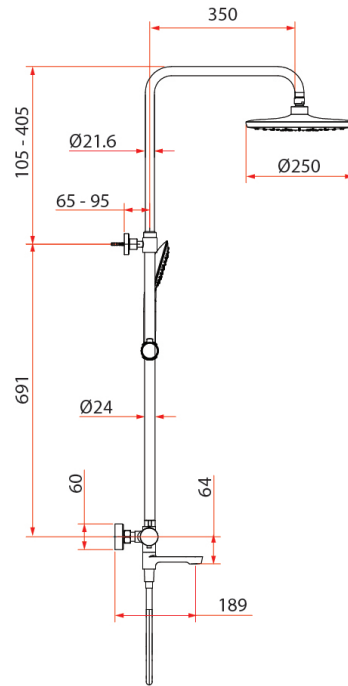

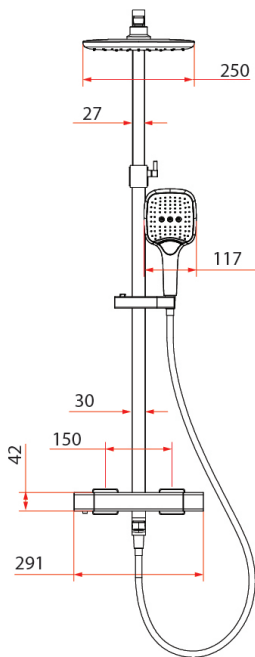

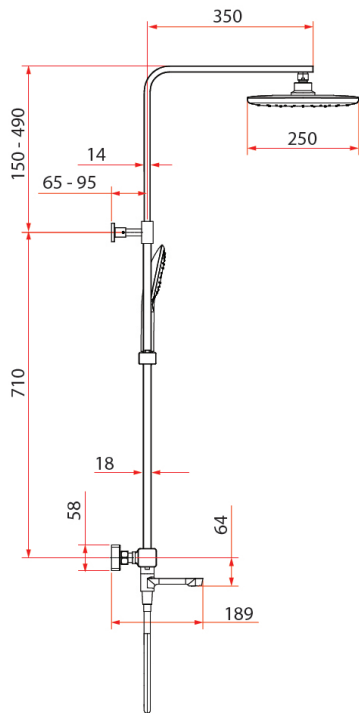

This all-in-one function controls the water flow and temperature. Tested to 50,000 cycles for guaranteed durability.

Swivel Spout

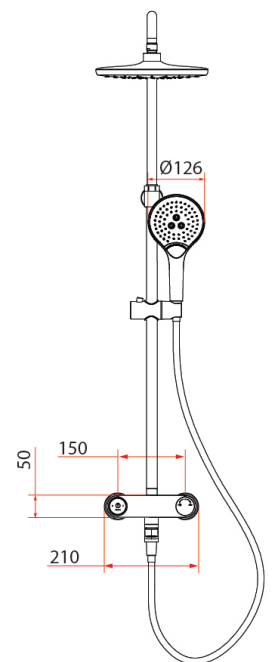

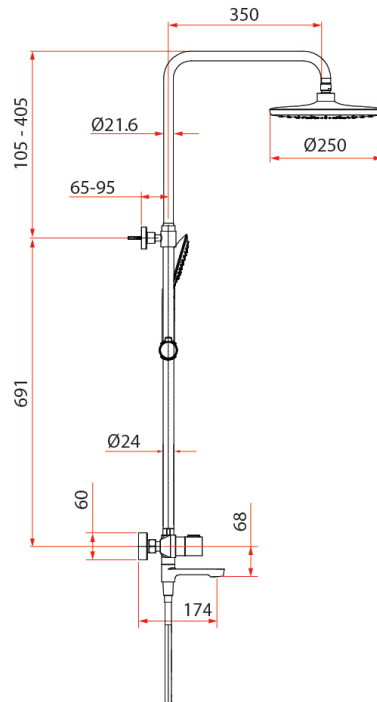

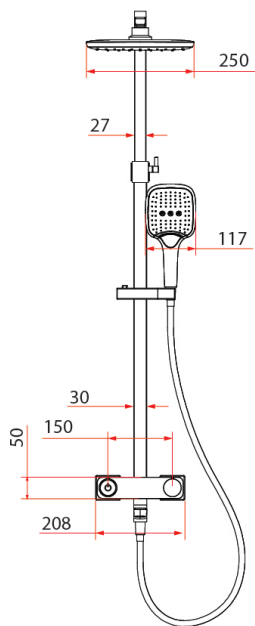

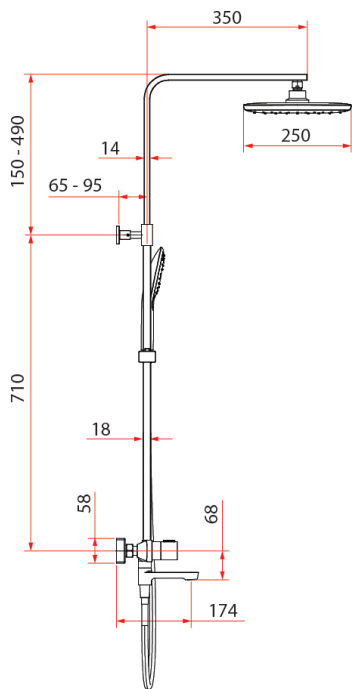

This unique space-saving feature controls the flow of the spout.
