

Gun Metal (GM)

Tuscan Oak (TO)
(Wood)

Venatino White (VW)
(Stone Design)

The ARMONIA PVC Bathroom Vanity Collection combines design and utility. These vanities come in Gunmetal, Tuscan Oak, and Stone design finishes and are constructed from high-density, weatherproof PVC. Their sizes are 60, 70, and 80 cm. Additional storage is provided by a stainless steel shelf, and it is easy to use thanks to the creative PRESS-to-open drawer mechanism. To add personality to your vanity, choose an insert basin from our TOP line. Very versatile to match any bathroom's décor.

PVC (polyvinyl chloride) board

Waterproof & Warp-Resistant
PVC boards are completely waterproof, so they will not swell or warp over time, even in humid bathroom environments.

Flexibility in Shape
PVC boards soften when heated, allowing them to be molded into a variety of shapes. This versatility makes it simple to create customized designs for bathroom cabinets.

Lightweight & Easy Installation
PVC bathroom cabinets are easy to install and remove due to their lightweight design.

Cost-Effective
The cost of PVC materials are inexpensive than hardwood cabinets, making them a cost-effective option for bathroom renovations.

Minimal Maintenance
PVC does not absorb liquids or oils, making it highly stain-resistant. Cleaning up spills or splatters is simple as PVC cabinets require little maintenance.

Termite-Resistant
Unlike wood, PVC cabinets are termite-proof, which ensures durability and longevity.

Strength & Durability:
PVC foam boards are stronger and more durable than other polyvinyl resin products. They are also rot-proof, waterproof, oil-proof, and corrosion-resistant, adding to their overall toughness.

Global Popularity
PVC bathroom cabinets are hot in the global market due to their affordability, versatility, practical benefits, and environmentally friendly.
