RubineTM
Indulge in the Aqua Lifestyle

ECO-FRIENDLY BATHROOM...

RUBINE is excited to introduce our latest PVC bathroom furniture collection — where modern innovation meets timeless design. Each piece is created to the highest standards of quality, functionality, and style, giving you a bathroom that is both beautiful and built to last.

In this catalog, you'll find our expanded range of bathroom solutions, including the much-anticipated CONCORD Bathroom Vanity Collection and the versatile ARMONIA & OPALE Series. Made with premium high-density PVC, our furniture is durable, water-resistant, and elegant — all while being eco-friendly.

At Rubine, sustainability matters. That's why we use materials and processes that prioritize long-lasting performance and recyclability.

Thank you for choosing Rubine. Together, let's transform everyday spaces into extraordinary experiences — while caring for our planet.

Drainage Pipe:

Reserved space behind the steel frame for easy installation of drainage pipe to the floor trap.

Functional Features

Discover the Strength & Versatility
of Rubine Bathroom Vanity

Waterproof & Warp-Resistant

PVC boards are completely waterproof, so they will not swell or warp over time, even in humid bathroom environments.

Flexibility & Shape

PVC boards soften when heated, allowing them to be molded into a variety of shapes. This versatility makes it simple to create customized designs for bathroom cabinets.

Lightweight & Easy installation

PVC bathroom cabinets are easy to install and remove due to their lightweight design.

Cost-Effective

The cost of PVC materials is lower than that of hardwood cabinets, making them a cost-effective option making them a cost-effective option for bathroom renovations.

Minimal Maintenance

PVC does not absorb liquids or oils, making it highly stain-resistant. Cleaning up spills or splatters is simple as PVC cabinets require little maintenance.

Termite-Resistant

Unlike wood, PVC cabinets are termite-proof, which ensures durability and longevity.

Strength & Durability:

PVC foam boards are stronger and more durable than other polyvinyl resin products. They are also rot-proof, waterproof, oil-proof, and corrosion-resistant, adding to their overall toughness.

Global Popularity

PVC bathroom cabinets are hot in the global market due to their affordability, versatility, practical benefits, and environmentally friendly.

DRY-WET SEPARATION

Wet & Dry Storage Compartments

Transform your bathroom with our newly designed vanities, featuring innovative wet and dry storage compartments for smarter organization.

Dry Compartment:

Keep your beauty and personal care products safe and pristine. Our dry compartment ensures your cosmetics, skincare essentials, and grooming tools remain in optimal condition.

Wet Compartment:

This section of the cabinet provides a durable and convenient space for all your cleaning supplies, keeping them neatly organized and easily accessible. The dual-compartment design not only maximizes your storage space but also ensures that each item is stored in its ideal environment, enhancing both the functionality and longevity of your bathroom essentials. Upgrade to a smarter, more organized bathroom with our wet and dry storage cabinet—where style meets practicality.

THE ESSENCE OF HARMONY

Five Elements, One Collection: Bathroom Cabinets Redefined

Inspired by the Five Elements — Metal, Wood, Water, Fire, and Earth. Our bathroom cabinets bring balance, beauty, and a touch of nature into your home.

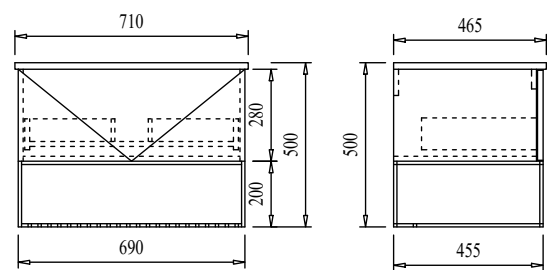

METAL — the element of strength and clarity — is embodied in our Gunmetal finish. Defined by durability and refined elegance, this sleek shade introduces a modern sophistication to your bathroom.

WOOD - the element of growth, vitality, and renewal - is beautifully expressed in our Tuscan Oak finish. Its warm, inviting tones bring the richness of natural wood into your bathroom, creating a space that feels grounded, comforting, and timeless.

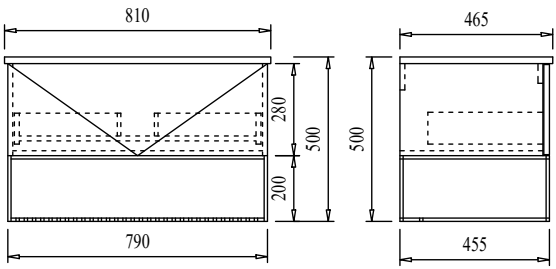

EARTH - the element of stability, nourishment, and support - comes to life in our Venatino White finish. This timeless stone shade evokes the purity and solidity of earth, bringing a sense of calm and balance into your bathroom.

LED MIRROR

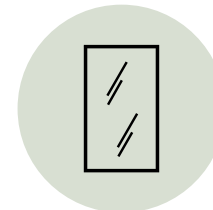

Experience clarity and style with the Rubine ACO LED Mirror. Featuring three adjustable light colors — warm, neutral, and white — it adapts effortlessly to your mood and needs. Its 5mm thickness ensures durability and sturdiness, while the lightweight, non-metallic design makes it corrosion-resistant and perfect for bathroom use.

A simple touch lets you control the lighting with ease, smoothly adjusting brightness from soft ambient glow to bright illumination. The built-in demister keeps the mirror clear even in steamy conditions, making it ideal for makeup application and shaving.

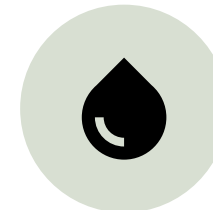

Designed to be splash-proof for added safety, this mirror also comes with a two-year warranty against manufacturing defects, giving you both confidence and peace of mind.
